Property Manager

Kimberly Luders

I have worked for Quality Property management for three years and I love my job. I love being able to solve problems to make life more efficient. On my free time I like to spend time with my family and go to concerts and watch horror movies.

WHAT'S NEW !!!

Assistant Manager

Tamara Ponomarenko

I have been with QPM for almost 2 years, and my favorite part of the job is making people smile and being able to be where I'm needed. In my free time I love to paint, draw and read adventure books.

I'm sure you've noticed how busy it is around the property with all the repairs and improvements occurring.
